The town benefits from good road communications, being located approximately 15 miles south of Junction 17 of the M4 Motorway. Several main roads pass through the town including the A360, A361 and A342.

The town centre has over 500 listed buildings, is a frequent Gold winner of Southwest in Bloom and holds Coach Friendly Town status. Devizes is seen as the focal hub for surrounding villages and is an ideal base from which to explore the surrounding countryside.

## Situation

The property occupies a highly prominent roadside position fronting the A361 (New Park Street), the main arterial route through the town, at its junction with Wharf Street.

Wharf Street Car Park is located immediately to the rear of the property and provides approximately 106 Pay & Display parking spaces.

The surrounding area comprises a mixture of residential and commercial uses.

The subject property is in very close proximity to the former Wadworth brewery. In November 2025, planning permission was granted for the site to be redeveloped into a mixed-use housing led regeneration scheme. The Grade II listed brewery building is set to comprise 23 new apartments, a house and commercial space, with the brewery's former industrial buildings making way for 102 new homes. It is anticipated that this scheme will create a new "cultural quarter" for the town. For further information [see here](#).

## Description

Internally, the unit provides a large open plan retail area with ancillary accommodation to the rear.

The property has been newly fitted out to a high standard by the tenant and opened in March 2026 as their new superstore.
