NOTICE: PLANT NOT AVAILABLE FOR EXAMINATION

Dear Sir/Madam,

This letter contains important information about your item(s) of plant. Please read carefully.

This letter is being sent to you because the item(s) of plant listed overleaf has/have not been made available for examination during our surveyor's visit and may be, or will become, statutorily and/or contractually overdue for examination due to circumstances beyond our control as detailed below.

Date of site visit: 15/07/2022

Reason for being Not Available: The previously asked for supplementary test were not carried out/no evidence provided.

We are unable to carry out further examinations until the supplementary test are complete and sufficient evidence provided.

Where an examination is required under your statutory obligations it is your responsibility to ensure that the relevant examination is carried out.

Please contact us using the details below so that a mutually convenient inspection appointment can be arranged.

Please note that there will be an additional charge for this return visit as advised in our terms and conditions of service and you will be invoiced for this in due course.

Yours faithfully,

British Engineering Services
