Accommodation

Ground Floor Gross Internal Floor Area	413.7 sq m	4,453 sq ft
--	------------	-------------

The Agreement for Lease (see legal package) stipulates a minimum threshold for the Gross Internal Area of 4,263.60 square feet, providing that should the Gross Internal Area be equal or greater than 4,375.8 square feet, the initial rent shall be £140,000 per annum. Site

A Phase I Assessment was carried out by Delta Simons in October 2019 which concluded that “the Site represented an overall investment opportunity with a Low risk” and “flood risk at the Site is considered to be Low”. A copy of this report is available to download for information purposes. Please also refer to the EnviroCommercial Report of May 2026.

Tenure

The interest being sold is in effect a freehold, plus a “virtual” freehold as explained below:

The entire building is held by the vendor on a freehold basis.

The entire building is let to “[Paragon Asra Housing Limited](#)”, a housing association, on a 125 year lease at £1 per annum. Paragon sub-let the residential accommodation (ten flats) as a housing association. “Paragon” sublet the commercial element back to the freeholder on a 125 year lease (less two days) at £1 per annum.

The long-leaseholder (which is also the freeholder), then let the commercial element to Co-Operative Group Food Limited.

The vendor also has the benefit of a 125 year lease from 8th December 2016 at a peppercorn over the car park and road area to the front of the property. Both Paragon, as long leaseholder and Co-Op, as occupational tenant, have been granted appropriate rights over this area. A licence to assign will be organised post exchange of the sale contract from the freeholder of this area, Thames Water Utilities Limited.

The freehold and long leasehold of the commercial element (as well as the lease of the car park and road area), are being sold, thereby removing any management input for the freeholder, given Paragon (the long leaseholder) occupy under a full repairing and insuring obligation. At the end of the Paragon long lease, the entire accommodation reverts to the freeholder since residential property is excluded from statutory rights to renew, as with commercial leases

The net effect is a sale of the freehold of the property, the long leasehold of the car park area, and the long lease of the convenience store, with a purchaser deriving secure income from Co-Operative Group.

Tenancy

The ground floor premises is let to **Co-Operative Group Food Limited (No. 26715R)** for a term of **15** years from 7th August 2019, expiring on 6th August 2034 (in excess of 8 years unexpired lease term) or 6 August 2049 (if the tenant option for a new lease on the same terms is exercised). The tenant is to keep the premises and the Car Park Area in good and substantial repair and condition.

Rent reviews increase the rent in line with changes to the Consumer Price Index (CPI) capped and collared between 1% and 3%.

The rent increased from £140,000 per annum to the current passing rent of **£156,600 per annum** at the August 2024 rent review, with the next review due August 2029.

Having regard to the CPI Index in August 2024 of 134.3, August 2025 of 139.3, and the most recent Index at March 2026 of 141.0, applying the annual increase calculation would result of a minimum of **£163,266 per annum** were a review to occur today.

The tenant has an option to renew the lease for a further 15 years from expiry of the current lease and has been granted within the protection of the security of tenure provisions of the 1954 Act.
